

Sponsor a Camper

Make an eternal difference in a young life!!

We are committed to providing a life-changing week of summer camp that is affordable for all urban children.

What an opportunity to know you can make an eternal difference in a youth life for only \$60 a month. The children pay what they are able and your gift makes up the difference of what it actually costs. Many children would not be able to come at all without your sponsorship. Thank you for making an eternal difference in a young life!!
